2. Manner of Payment

2.01 Upon site inspection: Payment of an amount equivalent to fifty (50%) percent of the total order cost shall be paid by the client upon on-site actual measurement and signing of the contract.

2.02 Upon installation/completion of the order: Payment of the remaining balance an amount equivalent to fifty (50%) percent of the total order cost shall be paid by the client upon installation/completion of the order.

2.03 Mode of Payment: Payments can be made through cash, check, BPI bank transfer and GCash.

3. Production and Delivery

3.01 Site measurement: Actual site measurement for the order will be conducted by our representative which will include all provisions pertinent to the order.

3.02 Pre-production requirements: The following conditions must be completely complied prior with the fabrication:

3.02.01 Accomplished duly approved and signed contract by the client or his/her duly authorized representative and AGAS representative. (We'll provide a hard copy of the contract during site inspection)

3.02.02 Payment of the fifty percent (50%) down-payment.

3.02.03 Confirmation of final design and specification duly approved by the client or his/her authorized representative upon signing of the contract.

3.03 Delivery: The following conditions must be completely conformed:

3.03.01 Delivery will commence after **five (5) working days** upon satisfaction of pre-production requirements and confirmation to AGAS representative that the site is ready for installation.

3.03.02 The client shall be liable for the safekeeping and security of the finished products. AGAS shall not be liable for any damage and/or loss to the items that it delivered.

3.03.03 The client shall prepare and cover the expenses for the permits/bonds if necessary for the delivery and installation.

3.04 Installation: AGAS installers shall only install finished products supplied and delivered by its team.

4. Completion of the Order

4.01 Acceptance: Upon completion of work, a Certificate of Completion shall be presented to the client or his/her authorized representative for conformity that all items contained in the contract are delivered and installed in good order and condition and the remaining balance of the agreed total cost is due and payable and henceforth, turned over completely.

4.02 Acknowledgement receipt: Upon completion of the order, AGAS can only issue an acknowledgement receipt to the client or his/her authorized representative as a proof of documentation for the completion of the order and that the total cost has been paid.

5. Warranty

5.01 Two-year warranty: Products and accessories fabricated and installed are warranted to be free from defects in materials and workmanship for a period of two years from the date of completion of the order.

Note: Broken glass caused by its users can't be replaced under warranty.

6. Others

6.01 Additives: Additional requirements, amendments and/or changes in the approved design and specifications shall be priced and billed accordingly.

Free Delivery and Installation! (We are direct supplier of glass and quality hardware.)

To proceed with the order and book an appointment for the site inspection, kindly accomplish this form.
